**ORDER:-**

In the reference 1<sup>st</sup> read above, orders have been issued for supply of Teak Wood of approximately 555cft and 254.67s9 cft respectively at the concessional rate of 50% on Govt rates of Forest Department for construction of" Vishwa Shanthi Gyana Yoga Mandiram" at Gochibowli, Hyderabad through Brahma Kumaris Educational Society and "Gyana Yoga Mandiram" at Karimnagar through their World Renewal Spiritual Trust.

2. In the references 2<sup>nd</sup> and 4<sup>th</sup> read above, the Incharge regional branches of Brahma Kumaris Educational Society have submitted another representation stating that in pursuance of the orders issued by the Government in the process they were allotted the required quantity of wood in round timber logs instead of cut sizes. After cutting the round timber there would be a wastage of 1/3 of a total timber. They have therefore requested to allot an additional quantity of 7.71 cmt of timber logs ( including wastage) to compensate the required quantity of cut sizes. They have further represented that the total requirement of the Teakwood timber is 714.537 cft. and Govt. already sanctioned the timber at the concessional rate of 50% on Govt. rate for 254.679 cft. There occurred an error while calculating the cft. required for the construction mentioned in the earlier letter. They need 459.859 cft. for the completion of the above construction. They have therefore requested to add this 7.71 cmt to their additional requirement i.e.459.858 cft.

3. Government after careful examination of the request of the incharge regional branches of Brahma Kumaris Educational Society hereby accord sanction for supply of Teak Wood 459.858 of cft being the additional requirement due to error in calculation and 7.71 cmt to compensate the wastage due to supply in round log form at the concessional rate of 50% on Govt rates of Forest Department for construction of" Vishwa Shanthi Gyana Yoga Mandiram" at Gachibowli, Hyderabad through Brahma Kumaris Educational Society and "Gyana Yoga Mandiram" at Karimnagar through their World Renewal Spiritual Trust.

4. The Principal Chief Conservator of Forests, Andhra Pradesh, Hyderabad is requested to take necessary action accordingly.
